### **Space and Naval Warfare Systems Command Awards Contract Modification**

SAN DIEGO — Data Link Solutions, Cedar Rapids, Iowa, is being awarded a cost-plus-incentive-fee/firm fixed price engineering change proposal modification, and a cost-plus-incentive-fee/firm fixed price delivery order for a not-to-exceed amount of \$82,141,155 for the product improvement of the Multifunctional Information Distribution System Low Volume Terminal (MIDS-LVT) to a Joint Tactical Radio System software communications compliant architecture under Contract N00039-00-D-2100 for U.S. Navy and Air Force Platforms. The MIDS-JTRS will replace the MIDS-LVT to provide secure, high capacity, jam resistant, digital data and voice communications capability. Work will be performed at Cedar Rapids, Iowa (50%) and at Wayne, N.J. (50%), and is expected to be completed by September 2007. Contract funds in the amount of \$10,064,308 will expire at the end of the fiscal year 2005. This modification and delivery order was not competitively procured. A synopsis was released via the SPAWAR E-commerce website and the Federal Business Opportunities web site. Space and Naval Warfare Systems Command San Diego, Calif. is the contracting activity (N00039-00-D-2100).
